

To Whom it May Concern,

This is to certify that Cainã Max Couto da Silva presented at PyData São Paulo on 05th of May, 2022. They presented a workshop titled “Análises de associação: como extrair valor de dados categóricos”. We thank Cainã Max Couto da Silva for their commitment to PyData São Paulo community.

Sincerely,

A handwritten signature in black ink, appearing to read "Ricardo Manhães Savii".
